Sri Ram Pavan Amajala

Education

Bachelor of Technology – Electrical & Electronics Engineering

Diploma - Electrical & Electronics Engineering

Experience

Associate Software Engineer

    System Optimization
    Knowledge Sharing
    Issue Resolution

Analyst

- **UI & Back-End Development**   **30+ reusable front-end components 10+ REST APIs**
- **Optimized Performance**   **reducing API response time by 30%**
- **Code Quality**   **SonarQube**   **JUnit Jest.**
- **Data Handling Efficiency**   **pagination**
- **Mentorship & Collaboration**
- **Special Projects**

- **Key UI Contributor**

- **Exceeding Performance Rating at Capgemini (2024):**

Intern

-
-
-

Core Skills

- **Back-End:**
- **Front-End:**
- **Tools:**

Relevant Courses

- **Spring Boot & Microservices Architecture**

- **Advanced React.js with State Management**

Achievements

- **Developed Real-Time POS System**
      real-time order updates and reducing lag by 40%
- **Led UI Development for Shared MFE Components**

Competitions & Hackathons

- **Capgemini Tech Challenge 2023**
- **LeetCode & HackerRank Contests**   **150+ coding problems**
